F. W. PAGE, Auditor.

Whitefield, N. H., February 24th, 1898.

Whitefield Police Court.

To The Town of Whitefield:

I have had 42 complaints for my consideration during the year. The offenses alleged were as follows:

Violation of liquor laws,			12
Drunk,			11
Assault and battery,			8
Larceny,		٠.	2
Cruelty to animals,			2
Obstructing officer,			2
Loitering about railroad stations,			2
Burglary,			2
Brawl and tumult.			7

In 19 cases, the respondent was a resident of the town; in the other 23, the respondent was a non-resident. The offences of the residents were:

Violation of the liquor laws,	12
Drunk,	. 3
Assault,	2
Obstructing officer,	1
Cruelty to animals,	1

The offenses arising directly from liquor—i. e., violation of the liquor laws and drunkenness—added together, show that in 1896-1897, there were 32 complaints for such offenses and only 8 complaints for all other crimes; while this year 1897-1898, the report shows that 23 of the offenses were liquor offenses and 19 were other charges. This is gratifying.

The pleas in the 42 cases were: guilty, 27; not guilty, 9; nolo contendere, 5; and one case was nol prossed. The results were nol prossed, 1; fined, 30; bound over, 6; jail, 4; both fine and jail, 1; In 18 cases, the fine and costs were paid; in 13 cases the costs only were paid; and in 11 cases nothing was paid. Those cases where the respondents were bound over are included in the last.

GENERAL REPORT.

During this year, we have prepared and published a catalogue of books in the library on the first day of October, 1897. The cost of this publication was somewhat in excess of our previous estimates, but was remarkably cheap considering the quality of the work done. And the expense was confined entirely to the printer's bill, the preparation of copy being freely done by the trustees. The balance due the Whitefield Publishing Company must be paid from this year's appropriation. The success of the catalogue as an efficient help to the readers repay the trustees for their labour.

To supplement the catalogue, we have started the publication of a quarterly Bulletin, to be furnished free of charge to card holders. This is the first thing of the kind in the history of New Hampshire library work and ought to be a source of pride to the town.

The rules governing the distribution of the catalogue are: each household, any member of which holds a library card, may have one copy free of charge; subsequent copies may be had at 25 cents each; non-residents may purchase a copy for 25 cents. Whoever is entitled to a copy of the catalogue is also entitled to receive the Bulletin as published in January, April, July, and October.

Owing to the fact that a catalogue was to be printed, we did no use any of last year's appropriation for binding books, using it all for new books. This year, however, a number of books must be rebound and a large number of magazines, given to the Library, ought to be bound.

The circulation has largely increased since the distribution of the catalogue in January. Over 300 books being loaned weekly.

Miss Helen G. Sartwell has discharged the duty of Librarian, during the year.

We have received a few gifts of books during the year 1897, notably periodicals, from the Rev. Fr. Riley and Dr. Gilman Davis. We repeat what we have said in former reports: gifts of books and periodicals are very acceptable. Many buy the current magazines, but do not care to have them bound. Save them for the library and we will have them bound and placed on the shelves.

To those who are not using the library, we wish to say that the library is theirs; they help support it; why not use it? Take out a card and secure a copy of the catalogue. No expense is attached. Use the library as you want to—all the time or any of the time—only, at least, part of the time. It will pay. The library is the adult's school room.
